

MEMORANDUM

TO: The Arizona State Board of Education

FROM: Barbara Border-Chairperson, Career and Technical Education (CTE) Advisory Committee to the Arizona State Board for Vocational and Technological Education

DATE: December 3, 2007

SUBJECT: Consensus Motion at the Career and Technical Education (CTE) Advisory Committee to the Arizona State Board for Vocational and Technological Education, November 15, 2007.

On November 15, 2007, the Career and Technical Education (CTE) Advisory Committee to the Arizona State Board for Vocational and Technological Education met to discuss agenda items on the Notice of Public Meeting posted on November 12, 2007. Among the items discussed was a consensus motion describe below:

High School Graduation Requirements: Jesse Ary briefed the committee on work to date at the State Board of Education regarding the Arizona High School Graduation Requirements. A consensus vote was taken in which State Board of Education member, Jesse Ary, abstained from voting. The CTE Advisory Committee to the Arizona State Board of Vocational and Technological Education unanimously supports the State diploma, which includes all content areas including Career and Technical Education and high standards for the increase of additional credits for math and science including the option for embedded math and science credits within other content or other subject matter areas. The CTE Advisory Committee to the Arizona State Board of Vocational and Technological Education unanimously opposes the dual diploma system.
